

“PRODUCT SPOTLIGHT – MILKY WAY”

Joel Lanier- Jacoby’s Feed Consultant

Producers and stockmen—if you are looking for a general purpose livestock feed for all ruminants, consider Jacoby’s “Milky Way”.

- (1) Milky Way has great numbers for a ration with an economical price point.
- (2) Guarantees a minimum of 16% protein, 5% fat and a fiber level of 16%.
- (3) Safe for all ages of sheep, goats and cattle

You will need to provide a free choice complete mineral and plenty of fresh water at all times.

Call your Jacoby Feed dealer for availability or call Reese Jacoby at the feed mill @ 1-800-329-2080. I will be glad to answer any questions on feed and mineral options for your operation.
